

You don't know me from a bar of soap!

However, I will turn your next conference, meeting or seminar into a never to be forgotten EVENT.

Do your meetings suffer from these terminal symptoms?

- Sluggish audiences
- After lunch nod-offs
- Slow recall of the 'take home message'.

Take this opportunity to 'immunise' your audience using the remarkable and noted guest speaker, **Dr Geoff Crawford**.

- Refresh your audience
- Invigorate their thinking
- Sell your message

"Dr Geoff is an entertaining and creative speaker who uses mystery, intrigue and wonder and applies it with humour & pathos to your public speaking needs."

"Dr Geoff makes even the most difficult principles easy to understand. He is a gem!"

START now to turn your next event into a memorable success.

Themes and Topics on Reverse.
